

Fourth/Fifth Grade News...from Room 5

May 2, 2008

Dear Families,

We have been very busy reviewing grammar and Science. We also had the opportunity to enjoy a play at VVC. Thank you to the volunteers who chaperoned on the trip: **Mrs. Bradley, Mr. Falone, Mrs. Moreno, & Mrs. Tadeja**. Thank you to the **Tadeja** and **Theide** families for donating money for our VVC field trip. We appreciate your generosity.

Thank you to everyone who promptly field trip slips and payments. LEGOLAND needs our payments this week for the Math Team/4th Grade June trip. Please return necessary funds, and slips, if you have not already done so.

☺Hip, Hip Hooray for Ivan, our next V.I.P.! ☺

COMMUNITY SERVICE PROJECTS WERE DUE TODAY! We are looking forward to hearing about each child's experiences! Please continue to encourage your child to volunteer actively in the community although the project is "over".

Please read the attached information regarding our upcoming Career Fair. It will be held here at Galileo in the board room on **Thursday, June 5 from 6:00-7:30 PM**. Fifth grade students will create displayboards and do brief oral presentations on that evening. (Specific guidelines for the layout of the displayboard are attached). Fourth graders will share their career-related multimedia presentations which were created at school. All students should come dressed in clothing similar to the way a person in their chosen career field would dress.

We will continue our review and test preparation next week. We will be taking another BIG Grammar test on Thursday. Help your child prepare for the test by reviewing the worksheets that he/she should be bringing home to you each day after completing and correcting in class.

In honor of Mother's Day, we are hosting a Muffins & Moms event in class on Friday, May 9. All moms, step-moms, grandmas, or any significant adult females may join us in our classroom from 7:45-9:00 AM (approximately). We have some surprises planned for you!!!

Your child's weekly Accelerated Reader report is attached. Please note that your child should have earned **twenty-five** points at this time in order to be on track with his/her trimester goal

Sincerely

Mrs. Miller

WE ARE OUT OF TISSUE!!! PLEASE DONATE A BOX OR TWO IF YOU CAN!
